It is proposed that the 2008 Junior and Senior National Championships will be hosted in NSW and we are looking for volunteers who are interested in playing a key role in organising this great event.

This will be the first National Judo Competition held in NSW since the Sydney 2000 Olympic Games and the preceding test events prior.

There are many areas that require initiative and leadership including media, transport, accommodation, venue presentation, sponsors, logistics, back of house, escorts, runners, crowd information, entertainment, VIP's, etc.

If you have had experience in any of these areas or if you would just like to offer your commitment in any area of interest please register your name and contact details at the Judo NSW office.

For any further information please contact the Judo NSW office or Shane Alvisio on [s.alvisio@hotmail.com](mailto:s.alvisio@hotmail.com) or 0410 044 205.
