

## Coach/Instructor Regional & Metropolitan PCYC Judo Clubs

- Looking for a great opportunity
- Want to be involved in expanding a program with great tradition!
- You are a qualified Judo coach/instructor or willing to become NCAS accredited

**Judo NSW** has recently had many requests (especially in regional areas) from established PCYC Clubs that would like to re-establish their Judo program. The PCYC Club Managers are very willing to assist Judo Coaches/Instructors in promoting beginner classes for children, adults, and ladies only classes and their competition level Judo program.

We are looking for special people that will be customer focused and brimming with enthusiasm. It is critical that you have a background in Judo and that you are currently NCAS qualified or willing to be updated via the Judo NSW complimentary\* level 1 NCAS Coaches/Instructors Course.

\*Many Judo NSW Clubs are looking for coaches/instructors and Judo NSW has developed a complimentary Level 1 NCAS Course to cater for this immediate expansion requirement within our sport.

NCAS Course participants need to nominate which Club they will be taking on the responsibility for and be nominated by their existing Judo Club Head Coach/Instructor or their local PCYC Club Manager.

We expect the successful candidates to have input into the programs and timetabling of the many Sydney metropolitan and NSW regional clubs. Judo NSW will also waive the 2007/08 annual registration fee for the successful candidate. (Successful candidates will still be covered by all Judo NSW insurances during this 2007/08 registration period)

We are looking for enthusiastic people, friendly, interactive with a genuine interest in working with both recreational and competition level Judoka.
