Schedule 1 – Child Abuse Definitions

Child Abuse is the mistreatment of a Child that:

- causes, is causing or is likely to cause any detrimental effect so that a Child's physical, psychological, or emotional wellbeing; or
- does, or is likely to, endanger that a Child's physical or emotional health, development, or wellbeing, whether through a:
 - single act, omission, or circumstance; or
 - series or combination of acts, omissions, or circumstances and includes:
 1. **Physical Abuse** occurs when a person subjects a Child to application of physical force, which may cause injury intentionally or inadvertently as a result of physical punishment or the aggressive treatment of a Child. Physically abusive behaviour includes, but is not limited to:
 - (a) shoving, hitting, slapping, shaking, throwing, punching, biting, burning, kicking; and
 - (b) harmful training methods or overtraining where there is the potential to result in damage to a Child's physical development.
 2. **Emotional or Psychological Abuse** occurs when a Child does not receive the love, affection, or attention they need for healthy emotional, psychological, and social development or are exposed to violence/abuse against other Children or adults. Such abuse may involve:
 - a. repeated rejection or threats to a Child;
 - b. constant criticism, teasing, ignoring, threatening, yelling, scapegoating, ridicule, intentional exclusion, continual coldness, and rejection;
 - c. Bullying and Harassment;
 - d. harmful training methods or overtraining where there is the potential to result in damage to a Child's physical, intellectual, or emotional wellbeing and development.
 3. **Sexual Abuse** occurs when an adult, or a person in authority (i.e. older, or younger but more physically or intellectually developed) involves a Child in any sexual activity. A child cannot provide consent, therefore even if 'consent' is given, it still falls within sexual abuse.

Perpetrators of sexual abuse take advantage of their power, authority, or position over the Child for their own benefit. It can include making sexual comments to a Child, kissing, touching a Child's genitals or breasts, oral sex, or intercourse with a Child.

Sexual exploitation is a form of Sexual Abuse and occurs when Children are forced into or involved in sexual activities that are then unlawfully recorded in some way, or recorded without the consent of one or more parties, or used to produce child sexual abuse material. Such material can be in the form of photographs or videos, whether published or circulated on the internet or social media. Encouraging a Child to view pornographic videos, websites, or images,

or engaging a Child to participate in sexual conversations over social media or otherwise is also considered sexual exploitation.

4. **Neglect** is the persistent failure or deliberate failure or denial to meet a Child's basic needs. Child Neglect includes the failure to provide adequate food, clothing, shelter, adequate supervision, clean water, medical attention, or supervision to the extent that the Child's health and development is or is likely to be harmed. Types of neglect include physical, medical, emotional, and educational neglect, and abandonment.
5. **Exposure to Domestic and Family Violence** is any abusive behaviour used by a person in a relationship to gain and maintain control over their partner or ex-partner. It can include a broad range of behaviour that causes fear and physical and/or psychological harm. If a Child is living in a household where there have been incidents of domestic and family violence, then they may be at risk of serious physical and/or psychological harm.

Annexure A: Responding to Child Abuse Allegations

You must ACT.

As a person involved in Judo you play a crucial role in protecting Children. You must follow the four actions set out below when responding to any Child Abuse allegations.

Action 1 - Responding

If a Child is at risk of immediate harm you must ensure their safety by:

- Calling 000 for medical and/or police assistance to respond to urgent health or safety concerns;
- Administering first aid, if required;
- Separating at-risk Child and any others who pose a risk to their safety (e.g. an accused person);
- Notify office@Judonsw.com.au and an appropriate Affiliate contact person for ongoing liaison with the Police.

If there is no immediate harm go to Action 2 below.

Action 2 – Reporting

If you suspect, on reasonable grounds that a Child is or is at risk of being abused and/or neglected, you must report it to the police under Failure to Report obligations or the NSW Office of the Children’s Guardian (which is mandatory in the case of an overnight camps of three nights or more ONLY) as soon as possible.

The allegation must be documented.

You must also report internally to office@Judonsw.com.au and the relevant Affiliate.

Action 3 – Contact

You must contact the police and/or the NSW Department of Communities and Justice to determine the information that may be shared with parents/guardians, and who should lead this contact (i.e. police, child protection department or Affiliate and/or Judo NSW representative). This could include advice:

1. Not to contact the parents or guardians in circumstances where they are alleged to have engaged in the abuse.
2. To contact the parents/guardians and provide agreed information as soon as possible.

Action 4 - Support

- Support should be provided to any Child that has experienced abuse e.g. putting protective mechanisms in place to keep the child safe whilst maintaining routine and keeping them involved in sport as far as possible.
- It is important that the person providing support to the Child does not attempt to provide support which is outside of the scope of their role e.g. taking a report from the child. Appropriate support would include contacting the child's parent/carer, making the child feel safe and assisting them to continue playing Judo in a safe environment.
- Support should also include maintaining a calm open manner when listening to any allegations and disclosures, while avoiding seeking detailed information or asking leading questions which should be conducted by the appropriate authorities.
- Any allegations or disclosures should be reported to Judo NSW via office@Judonsw.com.au as soon as practicable.
- Further support for the Child, relevant adults and others involved may be required, including a referral to wellbeing or healthcare professionals such as Sports Chaplaincy Australia (sportschaplaincy.com.au) and or the development of a safety plan.

Please contact office@Judonsw.com.au for further advice and assistance

Annexure C: Recruitment and Screening

These recruitment and screening requirements have been developed to provide a fair, safe, consistent, and comprehensive recruitment process across Judo. Judo NSW takes Child protection seriously and ensures that the organisation recruits' personnel that are suitably qualified and committed to providing professional, safe, and enjoyable programs and services to Children.

1. Child Related Positions

- 1.1 All positions within Judo NSW or an Affiliate (employees and volunteers) will be assessed by Judo NSW or the relevant Affiliate as appropriate (new and existing) using Appendix 1: Position Assessment Checklist.
- 1.2 Positions identified as 'child related' will require the successful applicant to be cleared by the NSW Office of the Children's Guardian as a person suitable to work with Children through obtaining a Working with Children Check.

2. Position Descriptions

- 2.1 Developing appropriate selection criteria for a position is a valuable first step to reducing the risk of appointing someone who poses a child safety risk.
- 2.2 Examples of appropriate selection criteria may include: 'Must have experience working with Children.' 'Must be able to demonstrate an understanding of appropriate behaviours when engaging with Children', 'Must be able to provide evidence of a valid and current NSW WWCC'.

3. Advertising

- 3.1 All positions identified as child related will include the following statement in the position description and any advertising: *[Judo NSW/ Affiliate] is committed to protecting Children from harm. We require all applicants that will work with Children to undergo an extensive screening process prior to appointment.*

4. Interviews

- 4.1 All applicants for child related positions are required to attend at least one formal interview or informal discussion, preferably in person or on a videoconference (e.g. Zoom etc.).
- 4.2 During the interview, questions regarding the applicant's suitability to work with Children must be included. Refer to Appendix 2: Interview Requirements and Sample Questions.

5. Working with Children Checks

- 5.1 NSW Working with Children Check laws aim to prevent people who pose a risk from working with Children as paid employees or volunteers. The relevant Working with Children Check legislation in NSW is the *Child Protection (Working with Children) Act 2012 (NSW) (Child Protection Act)*.
- 5.2 These laws require individuals involved in areas such as sport and recreation to undertake a check to determine their suitability to work (in a paid or volunteer capacity) with Children.
- 5.3 Judo NSW and its Affiliates must be aware of and compliant with the Working with Children Check employer obligations as set out in the Child Protection Act.

- 5.4 All personnel that require a WWCC will supply a copy of it to, or be validated by, the organisation making the appointment, be that Judo NSW or an Affiliate. The organisation making the appointment is responsible for verifying the WWCC.
- 5.5 Judo NSW and/or an Affiliate may not engage a person who does not have a satisfactory NSW WWCC. A WWCC from another jurisdiction is not valid in NSW and does not meet the legal requirements which exist under the *Child Protection Act*.
- 5.6 For the purpose of Clause 4.1 of this Policy, it is a serious breach of the Policy if an individual:
- (a) who has convictions that would make them ineligible to be granted a WWCC, is appointed to a child related position in Judo; or
 - (b) continues in their position if they have been charged or convicted of a crime that would make them ineligible to be granted a WWCC.
- 5.7 Any Member or Participant is required to report any criminal conviction or charge that indicates that they may present a potential risk to the Children to whom they help deliver programs or services, such as illegal drug possession or use, gun crimes and assault including adult sexual assault. It is a breach of this Policy under Clause 4.1 to fail to disclose any such conviction or charge

Educational or vocational qualifications, or professional registration, including any coaching or umpiring qualifications will be verified for the preferred applicant for the position, if applicable.

9. Minors

- 9.1 If a person under the age of 18 is appointed to a child-related position, the Judo NSW or the relevant Affiliate must:
- (a) comply with NSW WWCC requirements. Note that NSW WWCC requirements do not permit a minor to obtain a WWCC. When a minor transitions to 18 years of age they must then meet the WWCC requirements;
 - (b) undertake appropriate screening (interviews and referee checks);
 - (c) ensure that they are aware that they are bound by the Child Safe Policy, Child Safe Practices and the obligations associated with working with Children; and
